Authorizing the City Auditor and Comptroller to establish the Doyle Park Recreation Building Cost Reimbursement District Fund (Fund No. 72006), to be authorized to make appropriate payments.

CITY MANAGER SUPPORTING INFORMATION: In October 1989, the City of San Diego entered into a Reimbursement Agreement with Ahmanson Developments, Inc./McKeller Development of La Jolla for a portion of the construction costs associated with the Doyle Park Recreation Building (R-274660). The total estimated cost to construct this facility is \$2,300,000. Of this amount, \$1,800,000 will be reimbursed from FBA fees collected in

accordance with the above referenced agreement.

Ahmanson/McKeller is requesting that the remaining \$500,000 be recouped from all benefitting property owners. The proposed spread is based upon the number of dwelling units each developer is entitled to construct as shown below and includes \$3,000 for City administrative costs:

Developer/Property Owner	Number of Dwelling Units	Reimbursement Cost
Alan I. Kay	922	\$184,767
J.L. Construction	232	46,492
GSC Realty	956	191,582
Ahmanson/McKeller	400	80,159
	2,510	\$503,000

Ahmanson/McKeller has reached a private reimbursement agreement with Alan I. Kay and J.L. Construction for their portion of the reimbursement costs (\$184,767 and \$46,497 respectively). Therefore, the proposed Reimbursement Agreement would be to recoup the remaining \$191,582 from GSC Realty. A proposed reimbursement district plat and cost distribution table have been filed in the Office of the City Clerk (Document No. CR-14-1 & 2) and all affected property owners have been noticed of today's hearing.
